INSTRUCTIONS:

1. Add in all your exam subjects in the first column.
2. Decide how many revision sessions you will do and when. Also, decide when you are "off" and not going to revise.
3. Decide how many subjects you can suitably study on a given day (e.g. 2 hours = 4 subjects, 25 mins each, 5 min breaks)
4. Record which subjects you are going to study and when by filling the appropriate boxes (e.g. add "Revision" or "x" or…). See "Example" row.
5. This will show how many revision sessions you have available for each subject. Use this planner with your Revision Tracker for best results.
